This agreement is made with, and for the benefit of, Diamond Roll Up Door, Inc., its subsidiaries and associated corporations (together called the "Company") by the undersigned Employee.

In consideration of my employment with the Company, I, the undersigned Employee, agree to the following:

I. Copyrights

I agree to execute such assignments and other documents as the Company may determine are necessary or desirable to secure for the Company the exclusive rights to the inventions assigned hereby.
- (b) Company fields of interest include all fields of interest that have been worked on by the Company in the past, or in which there is work in progress at the Company during my employment, including Company operations in planning stages. I pledge my best efforts to protect and keep secret the trade secrets and confidential or proprietary technical and business information of the Company.
- (b) Unless required by the Company in connection with my employment or with the Company's express written consent, I will not, either during my employment or afterwards, directly or indirectly, use or disclose for my benefit or the benefit of another, any of the Company's trade secrets or confidential or proprietary information, whether or not the information is acquired, learned, attained or developed by myself alone or in conjunction with others. I make the same pledge with regard to the confidential information of the Company's customers, contractors, or others with whom the Company has a business relationship.

I agree not to use for the benefit of the Company or disclose to the Company, its officers, or any employees any such information so long as it remains confidential.

IV. Miscellaneous

- (a) Nothing in this agreement shall be interpreted to impair either my right or the right of the Company to terminate at will my employment with the Company at any time.
